TEMPLETON GROWTH FUND, LTD.

Successfully navigating markets for over six decades

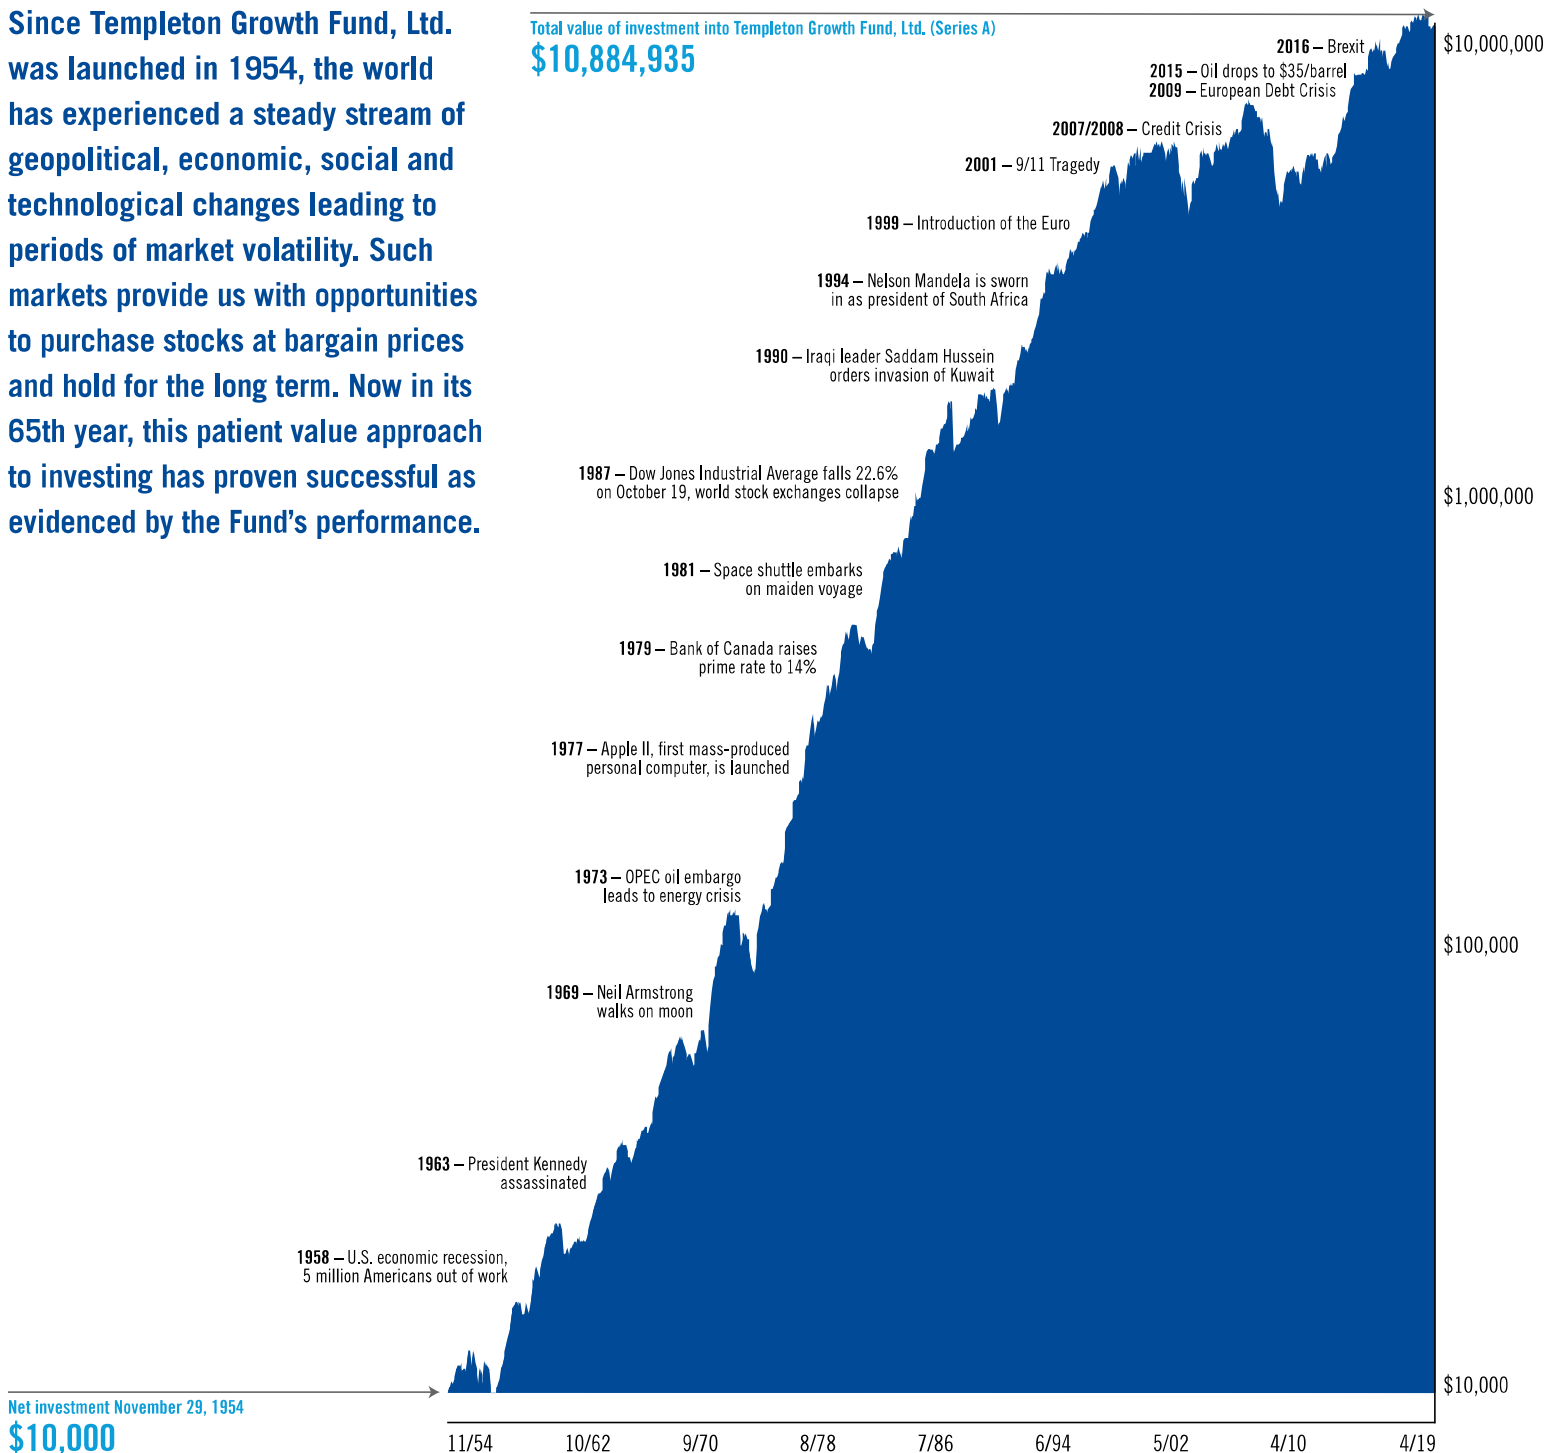

65
YEARS

1954–2019

Since Templeton Growth Fund, Ltd. was launched in 1954, the world has experienced a steady stream of geopolitical, economic, social and technological changes leading to periods of market volatility. Such markets provide us with opportunities to purchase stocks at bargain prices and hold for the long term. Now in its 65th year, this patient value approach to investing has proven successful as evidenced by the Fund's performance.

Source: Morningstar Research, Inc. as of April 30, 2019. Commissions, trailing commissions, management fees and expenses all may be associated with mutual fund investments. Please read the Franklin Templeton Investments prospectus before investing. The indicated rates of return are historical annual compounded total rates of return, including changes in share value and reinvestment of all dividends, and do not take into account sales, redemption, distribution or optional charges or income taxes payable by any security holder that would have reduced returns. Mutual funds are not guaranteed, their values change frequently and past performance may not be repeated.
